February 2010

Programme Rotterdam Museum Night 2010 complete!

Saturday 6 March, 2010: 20.00 – 02.00 hours

**All 45 museums and galleries participating in the ninth edition of the Rotterdam Museum Night have announced their programmes, inspired by the theme XS/XL. The spectacular opening at 20.00 hours outside the Laurenskerk will kick off with a musical highlight of XS singing tones, XL music and 999 eyes that will be let off to wander through the night by the minister of Culture Ronald Plasterk.**

The programme of the Museum Night is varied and consists only of pure highlights. The Witte de Withstraat and the Museumpark is the booming centre of the night. However, don't forget to visit the Photo Academy and find out all about the Lolita fashion subculture or the Maritime Museum to go on a speed date with a mariner. Let yourself be surprised by the eccentric circus at Alliance Française or relive your puberty in the National Museum of Education (Nationaal Onderwijsmuseum).

The Museum Night is XL but also thinks XS. There is a passkey especially for children for an XS price and many museums have an adjusted XS programme. Make your own inventions in the Kunsthall, create your own dream world in Boijmans or get the creeps in a show with monsters only: kids are allowed to stay up extra long on the Museum Night!

There would be no Rotterdam Museum Night without a surprising outdoor programme. An intimate spiritual circus at the Veerkade gives fuel for the mind, in the MaHo district small artist initiatives present their grandeur and at the Natural History Museum the cutting work done by a taxidermist can be watched through a live video connection on an XL screen, pictured into the smallest details. Or you can join in the rhythm of a spectacular performance with the "Journey through the city".

The complete programme is now available online at [www.rotterdamsemuseumnacht.nl](http://www.rotterdamsemuseumnacht.nl)

## Sales of the passkeys

The passkey is a badge with a flickering light and gives access to all locations, the Museum Night bus and Museum Night boat. During advance sales it costs 12 euros and on the evening itself, 16 euros. Especially for the children up to and including 12 years old the children's badge is for sale for only 6 euros. From the 10th of February the passkeys are available at almost all participating museums, Centrum Beeldende Kunst, USE-IT, VIP's International Art Galleries and VVV Rotterdam Store.

## Extra

You can now sleep in using one of the arrangements offered by four Rotterdam hotels. Or book a special guided tour (check out [www.rotterdamsemuseumnacht.nl](http://www.rotterdamsemuseumnacht.nl)).
